

White Cap Raises \$43k as National Supporter of 2021 St. Jude Walk / Run

Thanks to our associates, families, friends, and suppliers, White Cap raised a total of **\$43,354** for the 2021 St. Jude Walk / Run event help to provide immediate relief to the children and families battling aggressive diseases.

Although the event was virtual, that did not stop White Cap from rallying together in support of St. Jude. From coast to coast, our teams safely walked or ran the 5k in support of St. Jude. Many photos and smiles were shared, as we are all proud of our contributions made to help those in need.

Thank you to everyone that joined in as an extension of Team White Cap to support the families of St. Jude.

St. Jude Children's Research Hospital is leading the way the world understands, treats, and defeats childhood cancer and other deadly diseases. Families never receive a bill from St. Jude for treatment, travel, housing, and food – because all a family should worry about is helping their child live. Thanks to the Walk/Run donations, St. Jude can focus on what matters most—finding cures and saving children.
