

White Cap Announces New Chief Financial Officer Tim Murphy

In December 2021, White Cap welcomed a new CFO to the senior leadership team, Tim Murphy.

Tim joins us from the publicly traded WestRock Company with more than 25 years of experience in the corporate finance sector. In his role, he will be focusing on setting financial strategies and targets, as well as reporting financial results to our external stakeholders.

We look forward to Tim's future contributions as part of the White Cap senior leadership team!
