

## White Cap CEO Featured in The CEO Magazine

---

White Cap's exciting future and journey of growth was spotlighted in the December 2021 issue of the North America / Latin America edition of The CEO Magazine.

"We have a very passionate and driven team of sales and operational talent that creates a unique culture of teamwork and customer service, made possible by our focus on diversity, inclusion and our strong internal values. In a world where personalized customer service is being replaced by automation, our culture provides an opportunity to make a difference for our customers," stated John Stegeman, CEO of White Cap, when discussing our company's bright future.

The CEO Magazine is a world-renowned publication that serves as a source of information and inspiration for the world's leaders and executives, and White Cap is honored to be featured in its December 2021 issue.
